

Why is SGMI the ideal partner for your company?

1. Throughout Europe, SGMI stands for quality management development. SGMI combines the latest knowledge with current, practical experience.
2. The St. Gallen Management Model offers a networked view of the company as a “living system.”
3. Over many years, SGMI has worked on a multiplicity of successful, international management development projects – in Europe, USA and Asia.
4. Based on the vision and strategy of our clients, we work as partners in strategy implementation.
5. We have the competence and experience to quickly and effectively acquaint ourselves with even the most complex company challenges.
6. Our facilitators regularly earn top ratings for their programs.
